On-Airfield Emergency
Immediate Responses and Priorities
Safety of Life
Can responders approach incident Scene safely?
Organise on-scene First Aid and Fire Control
Contact Emergency Services if Required (000)
Recall Duty Instructor if not on-scene
The Duty Instructor or their delegate assumes the role of On Scene Commander until emergency services arrive
If Emergency Services are required, have a member meet them at the gate and escort them to the incident scene. Limit access to the scene
Manage access to the Incident site:
No Media
No Public
Hand Incident over to Emergency Services on Scene Commander and provide assistance
The Duty Instructor will
• Manage the emergency response until emergency services are on scene and take over.
• Complete Emergency Response Check List
The Duty Instructor will delegate some of these activities.
